RE: Invitation to Partner with FUSE in the 2nd Edition of the Social Enterprise Awards 2025.

Dear Mr James Macbeth Forbes,

On behalf of the Federation of Uganda Social Entrepreneurs (FUSE), I am pleased to invite GIZ Uganda to partner with us in the 2nd Edition of the Social Enterprise Awards 2025, a landmark initiative celebrating the ingenuity and impact of Uganda's social entrepreneurs and recognizing excellence across nine award categories.

Building on the resounding success of our inaugural 2024 edition, the Social Enterprise Awards 2025 is more than an event. It is a movement to catalyse progress, celebrate excellence, and unite stakeholders in the pursuit of a more inclusive and sustainable Uganda. GIZ Uganda stands as a beacon of sustainable development, empowering communities through initiatives in environmental conservation, youth employment, and economic resilience. Your commitment to promoting sustainable solutions aligns seamlessly with our mission to uplift social enterprises that tackle pressing challenges while creating lasting impact.

By coming together as partners, including the opportunity to serve as a co-host, we can capitalize on each other's strengths, expertise, and networks to recognize and celebrate Ugandan social changemakers who are creating positive social change.

Attached is a document showing different partnership opportunities and benefits, including details on category sponsorship and tiered partnerships.

We are eager to collaborate with GIZ Uganda to make the Social Enterprise Awards 2025 a powerful celebration of innovation and impact. To explore this opportunity further or request additional information, please contact us at +256 776 085 636 or +256 200 904 734, or via email at info@socialenterprise.ug.
